

My company, Flaherty & Collins Properties, manages over 15,000 multi-family units in seven states.

I would highly recommend Hays & Sons for any restoration project. I have known Brian and Mark Hays for over 35 years and they have always met or exceeded our expectations.

Hays & Sons has consistently provided outstanding service to our company from a one unit flood or kitchen fire to a devastating 125-unit apartment fire in New Albany, Indiana.

The professionals at Hays & Sons are very responsive to any emergency and stay on-site until the job is completed.

Feel free to contact me at 317-816-9300 if you have any questions or would like to discuss our long-standing relationship with Hays & Sons.

Sincerely,

Jerry K. Collins

President
